MEMORANDUM FOR: Deputy Director for Physical and Technical Security

FROM:

[REDACTED]

Deputy Director for Operations, OIT

25X1

SUBJECT:

Representative to the CHOSUN Network Certification  
Working Group (NCWG)

1. The attached memorandum makes a request for a representation to the NCWG. In discussion with [REDACTED] Chief COMSEC Division, OC, it was recognized that the representative would be required to cover all security aspects including Physical Security, COMSEC, and COMPUSEC. We decided it would be advisable to approach the Office of Security, to determine the representation preferences of the office. While the total security needs extend beyond Technical Security, the bulk of the work would fall into that domain. [REDACTED]

25X1

25X1

2. The representative could be from any of the offices: OIT (Engineering Services Group), OC (COMSEC Division), and OS. The day-to-day project management responsibilities rests with OIT. The resource management commitment required by the last sentence of paragraph two in the attachment, would indicate an OIT representative as a practical solution. Please note that I have support to COMSEC and other project aspects being provided by a rotatee from COMSEC Division. Please advise. I can be reached on [REDACTED]
